So the application is liable for rejection.	Clarification -1 (Regarding missing Computer certificate) I have already submitted the certificate as both my B.Pharmna(Graduation) and PG Diploma in health Care & Hosptial Management(PG) course have one compulsory subject on Computer application approved by the University. So Please look into my mark sheets and you will find the same. Clarification -2 (Regarding CGPA conversion certificate) According to the university guideline, all my final semester CGPA is equiplvalent to percentaget(%) system i.e (For example) CGPA 10 =100% of mark and CGPA 6.69 = 66.9% of mark. So there is no need of CGPA conversion certificate for that. Therefore I wish to draw the attention of the concern authority to look into the matter and do the needful.	The candidate has not submitted any certificate regarding computer qualification. However as Computer application is one of the subject in B. Pharma & PCDDHC & HM it is considered. Regarding CGPA conversion certificate is concerned it is not established from the Mark sheet and the certificate that CGPA is equivalent to 100%.
