Sub: Submission of Enrolment of EMRS students for supplying of fabric for uniform reg-

Ref: - NESTS/Admin/KVIC/57/2020-21 dated 28.01.2021

Sir / Madam,

With the revamping of the EMRS programme, it was felt to have a standard school uniform design for the students in the Schools keeping in view the various climatic factors and a distinct logo for the schools. **In this regard, the Ministry has partnered with the National Institute of Fashion Technology (NIFT), New Delhi.** Based on several rounds of discussion, the designs have been finalized by NIFT.

Procurement of fabric for the boys and girls school uniform is being done through Khadi Village and Industries Commission (KVIC) and the fabric should be made available at the State Level soon. States will have to make arrangements to deliver the required quantity at the school level and make necessary arrangements for stitching of the uniform and fixing of the logo on the uniform as per the specifications enclosed at **Annexure-1**. It is also requested from State to procure the remaining items as per norms and items as enlisted at **Annexure 2** locally based on the final design and specifications shared.

For supplying the fabric to state, it is requested to share the class wise and gender wise (Boys and Girls) student strength/enrollment for academic year 2020-21 and proposed student strength/ enrollment for academic year 2021-22 in the prescribed format enclosed at **Annexure-3**. So that supply of the fabric to State EMRS society made available as soon as possible.

With regards

Yours sincerely
