PROCEEDINGS:

A meeting of the Tender Evaluation Committee was held on 13.09.2024 at 3 PM in the Office Chamber of the CDVO Nuapada for "SUPPLY OF VETERINARY MEDICINES FOR INFERTILITY CAMPS OF NUAPADA DISTRICT FOR THE YEAR 2023-24" issued vide Bid reference No 3025 Dt 23.08.2024. At the outset, the Chairman welcomed all the participants and informed the house that the technical evaluation of the product list submitted by the 4 bidders qualifying the technical evaluation have been completed by the District Technical Committee and hence the financial bids may kindly be evaluated.

None of the bidders or its representatives have attended the meeting. The house opened and examined the financial bids of all 4 bidders and a comparative statement of the price quoted by each bidder for each product was listed in the Annexure I. It was observed that M/S Suhashini Pharmaceuticals in his financial bid at SI No 2 (Sodium Acid Phosphate inj.) had not clearly mentioned the presentation for which price was quoted and hence as per the tender terms and conditions this particular item was disallowed to participate in the financial bid. After carefully analyzing the Annexure I, the L-1 bidder was listed against each Veterinary Medicine.

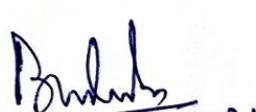

Finally, the Tender Evaluation Committee recommended the Tender Inviting Authority to issue Letter of Award to the respective successful L1 bidders and procure the products as per terms and conditions of the bid document and by observing all financial formalities.

In the end the meeting concluded with vote of thanks to the Chair and the participants.
